

YMCA Education

Intensive Literacy &
Numeracy [ILN]

Skills for Life

Graduate Profile

The purpose of the ILN programme is to; raise participants literacy and numeracy skills, increase opportunity for people to engage in literacy and numeracy learning, offer high quality and relevant learning topics and identify learner need and gains made.

YMCA New Zealand uses the Literacy and Numeracy for Adults National Assessment Tool to measure need, inform tailor-made programmes and measure progress: <https://assess.literacyandnumeracyforadults.com/>

What you will do:

We provide literacy and/ or numeracy training that is specific to your needs. Our programmes utilise everyday & relevant learning tasks that may cover the following topics;

CV Writing	Filling in Forms
Job Search	Basic Computing
Health and Recreation	Driver License Study
Budgeting	Interview Skills
Cooking	Basic Employment Skills
Flating	Goal Setting
